Le Song

CTO @ GenBio AI, Professor @ MBZUAI
Palo Alto, California, United States

Experience

GenBio AI
Chief Technology Officer
December 2024 - Present (7 months)

Mohamed bin Zayed University of Artificial Intelligence
Professor
January 2021 - Present (4 years 6 months)
UAE

BioMap 百图生科
CTO & Chief AI Scientist
August 2021 - August 2024 (3 years 1 month)

Georgia Institute of Technology
9 years 5 months

Associate Professor
February 2017 - January 2021 (4 years)
Greater Atlanta Area

Associate Director at Center for Machine Learning
August 2016 - January 2021 (4 years 6 months)
Greater Atlanta Area

Assistant Professor
September 2011 - January 2017 (5 years 5 months)
Greater Atlanta Area

Research in machine learning and its applications to big data

Ant Financial
Sr. Director of AI & Principal Engineer
2017 - 2020 (3 years)

Google
Research Scientist
2011 - 2011 (less than a year)

Apply machine learning to webscale problems

Carnegie Mellon University
Lane Fellow
July 2008 - 2011 (3 years)

The Lane Fellow Program recognizes and supports scientists of outstanding intellect who are dedicated to a career at the interface of machine learning and computational biological so that they can pursue postdoctoral research in the rich computational environment at Carnegie Mellon. (http://lane.compbio.cmu.edu/fellows/nav1b.html)

National ICT Australia
PhD student
2004 - 2008 (4 years)

NICTA (formerly National ICT Australia) is an Australian research institute driving innovation through high-quality research, training and technology transfer. NICTA is the largest research organisation in Australia dedicated to information and communications technology (ICT) research. (http://en.wikipedia.org/wiki/NICTA)

University of Sydney
PhD student
2003 - 2008 (5 years)

The University of Sydney (informally Sydney University, USyd or simply Sydney) is the oldest university in Australia. (http://en.wikipedia.org/wiki/University_of_Sydney)

Education

Carnegie Mellon University
PostDoc, Machine Learning and Computational Biology · (2008 - 2011)

University of Sydney
PhD, Machine Learning · (2003 - 2008)

South China University of Technology
B.S., Computer Science · (1998 - 2002)
